Post to Facebook Marketplace 10x Faster

## AI-Powered Chrome Extension for Car Dealerships

Automate vehicle listings in 30 seconds instead of 15 minutes

### THE PROBLEM

- Manual posting takes 15-20 minutes per vehicle
- Duplicate content triggers Facebook shadowbans
- Staff time wasted on repetitive data entry
- Inconsistent, boring listings don't sell cars

### THE SOLUTION

- AI-Powered Descriptions - Unique copy for every vehicle
- Automated Image Transfer - Photos move directly to Marketplace
- One-Click Posting - Scrape any VDP and post instantly
- Shadowban Protection - AI ensures 100% unique posts

### HOW IT WORKS

- 1 Install Extension**  
Add to Chrome, enter license
- 2 Click Scrape**  
Capture VIN, price, photos
- 3 Post to Marketplace**  
AI description, instant post
